Comes with multiple installation combinations through its adjustable hanging accessories, the ALUME series can be mounted to almost any location so long as support for it is available.

Included:

Vertical wall mount

Optional:

ALUME-D-WBB, ALUME-D-WBW - wall swivel bracket

Specification:

Type	Passive Column
Rated Power	180W
Nominal impedance	12Ohm
Peak Power	360W
Ways	2
Low frequency driver	12 x 2"
High frequency driver	2 x 1"
Effective frequency range	120Hz - 20KHz
Sound Pressure Level	118dB
Sensitivity	95dB, measured at 1W/m
Coverage angle Enclosure	90° x 30° (HxV)
material	Aluminum-magnesium alloy
Color	Black (ALUME-D12), white (ALUME-D12W)
Connection type	2x SPEAKON, 1x EURO BLOCK
Dimension (W*D*H)	79*83*1124mm
Weight	6.3kg
