ALUME-SW8A

ALUME-SW8A is a active sub-woofer 8" 200W with satellite output 2x160W /4 Ohm

ALUME-SW8A subwoofer with built-in integrated Class H amplifier able to punch your heart out; flat frequency response of 38Hz-120HZ(= 10dB) including two satellite channels of power output with each up to 160W /4Ohm of energy.

- Compact design
- Built-in Class H power amplifier
- Connection of satellites
- A wide range of brackets and additional accessories

Optional:
ALUME-T-CSFA-75 - adapter for mounting ALUME-T to ALUME-SW8A

Specification:

Type	Active Sub-woofer
Bass	1 x 8"
Sound Pressure Level	115dB max
Effective frequency range	20Hz - 120Hz
Power Amp.	200W
Sat. frequency range	110Hz - 20kHz
Sat. Power	2 x 160W 4Ohm
Power	115V - 230V AC
Input	2 x Euro Block / 1 x RJ45 2
Output	x Euro Block
Color	Black
Dimension (W*D*H)	250*718*419mm
Weight	27kg
