DELI-6

DELI-6 is an all-weather 2-way wall-mounted speaker system with a 6.5'' low-middle range woofer and a 1'' high frequency tweeter. Has an effective power output of up to 60W RMS. Equipped with a 100-volt linear transformer with power taps of 7.5, 15, 30 and 60 W. IP55 protection makes it suitable for outdoor use. Has smooth adjustment for spatial orientation.Case color black or white

- Connection in 8 Ohm and 100 V mode
- Rotary control for changing operating modes and speaker power
- Grill with anti-corrosion coating
- Durable ABS plastic housing
- Mounting bracket included

SPL vs Freq

Specification:

SKU	DELI-6
Type	Wallmount Speaker
Rated Power	60W at 8Ohm/100V
Input Options	8Ohm / 100V
Transformer Taps100V	7.5W / 15W / 30W / 60W
Ways	2
Drivers	6.5” low-middle range woofer
	1” high frequency tweeter
Effective frequency range	80 - 20KHz
Sound Pressure Level	108dB
Sensitivity	92dB, measured at 1W/m
Waterproof degree	IP55
Enclosure material	ABS
Grille	Aluminum
Finished colour	White (DELI-6W), Black (DELI-6B)
Mounting bracket	Included
Dimension	320x190x200 mm (without bracket)
Weight	3.6kg
